

BASEBALL IN THE STEAM ZONE
JUNE 2, 2018 @ BEYER STADIUM

It's fun to learn about science, technology, engineering, arts and math, plus history and nature, when you find out how all of these subjects you learn about in school can be applied to a sport like baseball!

Children and their families will be encouraged to also try hands-on baseball skill activities; plus have a chance to meet a woman umpire and a young batting star.

Cards will be distributed at Beyer Stadium entrances to be punched at (13) Stations on the field. With (10) punches from both "Your Starting Lineup" and "Your Extra Innings" stations, the card can be turned in across the street in the IWBC tent to receive a Rockford Peaches 75th Anniversary embroidered patch. It looks just like the logo at the top of this card!

"Baseball in the STEAM Zone" is brought to you by the International Women's Baseball Center (IWBC).

IWBC would like to thank the American Association of University Women Rockford Area Branch for organizing the event and extend special thanks to all of the stellar Community Partners presenting at Beyer Stadium.
